

Record your model number below for future reference:

**CAUTION: Risk of personal injury.**

Product can break, chip, and cause injury if handled carelessly. Get help lifting the lavatory.

**Important Information**

Instructions are for installation to wood frame construction; for other installations, use bracing and fasteners of sufficient size and strength.

**1** Install 2x4 backing behind the finished wall.

**2** Mark the centerline on the floor.

**3** Measure from the finished wall and drill two 5/16" (8 mm) deep holes.

**4** Note the location of the partially drilled faucet holes on the underside of the lavatory.

**5** Using a compass, locate and draw the center of the holes on the top of the lavatory.

**6** Place a punch in the center of the marked hole. Gently tap the punch with a hammer.

**7** Use the punch and a file to enlarge the hole as needed.

**8** Install a placement pin and foot to each leg.

**9** Place the lavatory on its back edge. Position a spacer on the front hole and the leg over the pin.

**10** Secure the leg with the rubber washer, metal washer, and screw. **Do not overtighten!**

**11** Repeat to install the other leg. Ensure the towel bar fits properly into the legs.

**12** Tighten the four setscrews.

**13** Turn the lavatory upright and position the legs in the holes on the floor.

**14** Adjust the placement pins to level. Draw a line on the wall along the underside of the lavatory.

**15** Set the lavatory aside. Align the brackets with the line and mark the holes.

**16** Drill 3/16" pilot holes. Attach the mounting brackets with the lag bolts.

**17** Position the lavatory and attach to the brackets with the screws.

**FIVE-YEAR LIMITED WARRANTY**

All Kallista products carry Kallista's five-year limited warranty unless otherwise noted.\*

Kallista products are warranted to be free of defects in material and workmanship for five years from the date of installation.

Kallista will, at its election, repair, replace or make appropriate adjustment where Kallista inspection discloses any such defects occurring in normal usage within five (5) years after installation. Kallista is not responsible for removal or installation costs.

Damages due to improper handling, installation or maintenance are not considered manufacturing defects and are not covered by this warranty. This warranty is valid for the original consumer purchaser only.

To obtain warranty service, contact your Kallista Authorized Showroom.

Products must be maintained and cleaned in accordance with the care and cleaning instructions provided by Kallista. Improper care or cleaning, including damage from the use of abrasive chemicals, will void this warranty. Gloss reduction, scratching, staining and alkaline etching of finishes over time due to use, cleaning practices or water or atmospheric conditions, are not manufacturing defects but are indicative of normal wear and tear. Use of in-tank toilet cleaners will void the warranty.

**Implied warranties including that of merchantability and fitness for a particular purpose are expressly limited in duration to the duration of this warranty. Kallista and/or seller disclaims any liability for special, incidental, or consequential damages.**

Some states/provinces do not allow limitations on how long an implied warranty lasts, or the exclusion or limitation of special, incidental or consequential damages, so these limitations and exclusions may not apply to you. This warranty gives you specific legal rights. You may also have other rights which vary from state/province to state/province.

**This is Kallista's exclusive written warranty.**

\* Kallista's Hampstead and Stafford vitreous products, stainless steel accessories, and wooden accessories carry a one-year Limited Warranty.
