### Composed

Timeless and deliberate, the Composed faucet embodies the spare and beautifully understated elements of minimalist design. By eliminating unnecessary details, the Composed faucet was designed to elicit an emotional response with its stark beauty.

### Single Control Faucets

The handle designs favor a minimalist aesthetic for a timeless beauty. The minimalist handle offers pure design simplicity with a surprising and delicate touch, while the joystick provides elegance for a distinctive visual statement.

### Delight in detail

The Composed™ faucet collection by Kohler is a design stripped of non-essential flourishes. Composed embodies simplicity. Clean. Classic. Quietly confident. It exemplifies refinement among KOHLER® products as it forms an original composition that is at once unique yet comfortably familiar.
