Before using the product, install reachable power cut equipment outside the product.

Only for safety use in areas with altitude below 2000m.

Grounding Instructions
This product should be grounded. In the event of an electrical short circuit, grounding reduces the risk of electric shock by providing an escape wire for the electric current. This product is equipped with a cord having a grounding wire.

**WARNING: Risk of electric shock.** Improper use of the grounding plug can result in a risk of electric shock.

If repair or replacement of the cord is necessary, do not connect the grounding wire to either flat blade terminal. The wire with insulation having an outer surface that is green with or without yellow stripes is the grounding wire.

Check with a qualified electrician or service personnel if the grounding instructions are not completely understood, or if in doubt as to whether the product is properly grounded.

This product is factory equipped with a specific electric cord. If the product must be reconnected for use on a different type of electric circuit, the connection should be made by qualified service personnel.

TOOLS AND MATERIALS

- Drill with Assorted Bits
- Assorted Screwdrivers
- Band Tape
- Levelling Ruler
- Pencil
- Plus:
  - Protective Material
  - Tape
- Other:
  - 防护材料
  - 胶带
WARNING: Risk of electric shock. Disconnect power before servicing.

WARNING: Risk of electric shock:
Connect only to a properly-grounded, grounding-type receptacle which is supplied by a 220~240V, 50Hz power and protected by Residual Current Device (RCD). Do not remove the grounding pin or use a grounding adapter.

Consult the online users guide at kohler.com for more information.

Install glass shelf
装玻璃层板

1. Insert the snap-in pins into the side holes.
2. Insert the glass shelf into the snap-in pins, as shown in the illustration.
Thank you for purchasing the Touch Me mirrored cabinet produced by Kohler. Please read through these instructions carefully before use.

Kohler does not provide any explicit, implicit or statutory guarantees regarding the software of this product. You bear all risks relating to the quality and performance of the software. Kohler does not guarantee that the functions contained in this software will satisfy your requirements, or that the software will be free from interruption or errors during its operation.

1. Please copy the data stored on this product to another device before updating the system platform. Please refer to this manual for the actual upgrade method and documentation.

2. This product uses the Android 4.4 operating system. The Android platform is open to third-party software and users may download software for installation by themselves but some of the software may prove to be incompatible after installation. Kohler does not provide free after-sales service in the event that software installed by the user leads to crashing, black screens or system failure.

3. Most existing websites are designed for use with the x86 CPU architecture and Windows operating system. As this device uses the Android operating system running on the ARM A17 architecture there may be compatibility issues when browsing the Internet. It is normal if some web pages do not display correctly, video player plug-ins cannot be downloaded or videos cannot be played.

4. If some functions do not work normally please try restart this product. Please do not touch the "Restore to Factory Settings" button in the "Setup" menu as this will delete beyond recovery all applications you have installed yourself.

5. The content of this manual is provided for reference only. The actual product, display or operation shall prevail.
**USING THE MIRRORED CABINET**

1. **Turning the device on/off**
   - The Power Button is located inside the cabinet and is used to turn the device on or off.
   - Front view of product after power on. A touch button is located at the Kohler logo. Touch this button to cycle the device between work and hibernation mode.
   - When the device is in hibernation mode, the Kohler logo will begin pulsing. After 30 seconds the pulse effect will go out. The device is now in standby and auto-sense mode. The pulse effect will be triggered if someone approaches.
   - When the device is in standby and auto-sense mode it appears to be a mirror.

2. **Operating Instructions**
   - **Device Interface**
     Once switched on, the Kohler Home interface appears.
   - **Touch Control Guide**
     - Tapping the icon on the status bar located at the bottom of the touch screen at any screen returns to the Home interface.
     - Tap the Return icon on the status bar at the bottom of the touch screen during use to return to previous screen.
     - Tap to view the history of all previously launched apps.
     - Tap to take a screen shot.
     - Tap to decrease volume.
     - Tap to increase volume.

   - Using the Touch Screen
     You can operate the icons, buttons, menu options, on-screen keyboard and other buttons on the touch screen with your fingers.
     - Tap: Tap lightly on the touch screen with a finger to operate the displayed item (e.g. Launch the corresponding program), use the on-screen keyboard to enter alphanumeric inputs, or press a button on screen.
     - Tap and hold: Tap and keep the finger on an icon until an X appears. Now tap on X to delete this icon.
     - Zoom in and out: You can use a pinching gesture at the interface to zoom out, and reverse the gesture to zoom in.

3. **USB Port**
   - The USB port is located inside the cabinet.

4. **Manual Shutdown**
   - If your device freezes and you cannot use it anymore, press the Power button to shut down the device.

**镜柜的使用**

1. **打开/关闭设备**
   - 电源开关位于柜子内部，用于打开/关闭设备。

2. **操作说明**
   - 设备界面
     - 启动后将进入科勒主屏幕界面。
   - 触摸操作快速指南
     - 不管屏幕上显示哪个界面，点击位于触摸屏下方状态栏的图标即可返回至主界面。
     - 操作时，点击触摸屏下方状态栏的返回图标，就可以返回至先前的屏幕界面。
     - 点击可以查看有关先前执行的应用程序的所有记录。
     - 点击可以截屏。
     - 点击可以减小音量。
     - 点击可以增加音量。

3. **USB口**
   - USB口位于柜子内部。

4. **强制关机**
   - 若您的设备停止运转，使得您无法继续操作，在这种情况下，请直接按下电源开关，设备就会被关闭。
5. Important Safety Precautions

You must always obey the following basic safety precautions when using this device to reduce the risk of fire, electrocution and injury.

- Avoid exposing this product to rain or moisture.
- Avoid direct exposure to sunlight and keep away from heat sources.
- Do not place any objects on the LCD screen as this may crush and damage the screen.
- Do not allow any sharp objects to come into contact with the LCD screen to prevent scratches.
- Do not attempt to disassemble the product for any kind of repairs. This is to prevent damage to the product and it also voids the warranty.

6. Cleaning the Device

Please shut down the device before cleaning. Do not use any kind of chemical detergent to wipe the touch screen.

- If you wish to clean finger prints or dust from the screen, we recommend using a soft, fine, non-corrosive cloth such as lens cloths.

7. System Updating

Please download the "KOHLER KONNECT" from dependable Android APP Marketing, run the updating of "Touch Me Mirrored Cabinet", the app will download the updating file automatically. Please restart the Mirrored Cabinet to execute the updating.

5. Restore to Factory Settings

- To restore the device to the original factory settings and clear all personal information, tap on "Settings" → "Backup and Reset" → "Restore to Factory Settings".

Warning: After the reset, all data, system settings and downloaded apps will be removed from your device.

6. Important Safety Precautions

You must always obey the following basic safety precautions when using this device to reduce the risk of fire, electrocution and injury.

- Avoid exposing this product to rain or moisture.
- Avoid direct exposure to sunlight and keep away from heat sources.
- Do not place any objects on the LCD screen as this may crush and damage the screen.
- Do not allow any sharp objects to come into contact with the LCD screen to prevent scratches.
- Do not attempt to disassemble the product for any kind of repairs. This is to prevent damage to the product and it also voids the warranty.

7. Cleaning the Device

Please shut down the device before cleaning. Do not use any kind of chemical detergent to wipe the touch screen.

- If you wish to clean finger prints or dust from the screen, we recommend using a soft, fine, non-corrosive cloth such as lens cloths.

SYSTEM UPDATING

- Please download the "KOHLER KONNECT" from dependable Android APP Marketing, run the updating of "Touch Me Mirrored Cabinet", the app will download the updating file automatically. Please restart the Mirrored Cabinet to execute the updating.

ATTENTION

- Please do not try to disassemble the device. The disassembly of the device by unauthorized personnel may damage the device. It will also void the device warranty.
- Please do not place the product in a location exposed to direct sunlight as this will shorten the life of the electronic components.
- Avoid placing the product near magnetic materials so that touch performance is not impaired. Please do not touch the touch screen with finger nails or sharp points. Please do not wear gloves when using the touch screen.
- Do not place any objects on the LCD screen as this may crush and damage the screen.
- Avoid exposing this product to rain or moisture.
- Avoid direct exposure to sunlight and keep away from heat sources. The device may not operate normally otherwise.
- Do not attempt to disassemble the product for any kind of repairs. This is to prevent damage to the product and it also voids the warranty.
- Please do not place the product in very cold (under -20°C) or very hot (over 50°C) environments as this may cause the device to not operate normally.

- Warning: After the reset, all data, system settings and downloaded apps will be removed from your device.

- Do not attempt to disassemble the product for any kind of repairs. This is to prevent damage to the product and it also voids the warranty.

5. 恢复出厂设置

- 要将设备还原成最初的出厂设置，清除所有个人信息，可点击“设置”→“备份和重置”→“恢复出厂设置”。

警告：重设设备后，资料、系统设置和下载的应用程序都将被从您的设备中移除。

6. 重要安全保护措施

在使用设备时必须一直遵守以下基本的安全保护措施，以减少火灾、触电和受伤的风险。

- 避免将其它物体放在液晶屏幕上，防止压碎和损坏屏幕。
- 避免使用任何尖利物体来接触液晶屏幕，防止屏幕被刮伤。
- 不得尝试自己拆卸产品来进行任何修理，防止损坏产品，且也不在保修范围之内。

7. 清洁设备

- 再清洁前请先关机，请勿使用任何化学清洁剂擦拭触摸屏。
- 若您想清洁屏幕上的指纹或灰尘，我们建议您使用不粗糙且无腐蚀的软布来进行清洁，如镜头布。
