Mira Showers guarantee the Mira Flight Shower Tray against any defect in materials or workmanship for a period of ten years from the date of purchase. For terms and conditions refer to the back cover of this guide.

Recommended Usage
- Domestic
- Light Commercial
- Heavy Commercial
- Healthcare

Notification to designers, installers and users:
The majority of all shower trays will show an increase in the potential for slipping, when the surface is wet. This is particularly the case when soap, shampoo, bath oil etc. are used. The Construction Products Directive (89/106/EEC).

IMPORTANT INFORMATION
Important! The shower trays featured in this manual are available for use as riser and non-riser products and are supplied with a waste.

Carefully unpack and check the tray for colour, size, general acceptability and compatibility with the shower enclosure and other bathroom furniture.

Check for transit damage and report any faults immediately to your supplier. No claims for the above will be considered after installation.

Caution! Additional protective coverings such as a dust sheet should then be used to protect the tray from damage from falling objects.

Note! Shower must not produce more than 25 litres per minute.

Installation and User Guide

GUARANTEE

INSTALLATION

Non Upstand Trays
Note! Where the shower tray comes into contact with the wall, apply a liberal amount of silicone sealant before installation. This will help secure the shower tray in position and reduce any rubbing of the surfaces.

Install the shower tray on a bed of sand and cement or silicone sealant.

Upstand Trays
Note! Where the shower tray comes into contact with the wall, apply a liberal amount of silicone sealant before installation. This will help secure the shower tray in position and reduce any rubbing of the surfaces.

1 Non Upstand Trays
Note! Where the shower tray comes into contact with the wall, apply a liberal amount of silicone sealant before installation. This will help secure the shower tray in position and reduce any rubbing of the surfaces.

Apply silicone sealant in accordance with the manufacturer’s instructions to seal the shower tray to the wall.

**CARE AND MAINTENANCE**

Due to the physical nature of water, small pockets of water may remain on the shower tray after showering. We recommend that both the tray and the enclosure are wiped down with a dry cloth after use.

Hot soapy water should be used and then the tray should be wiped. Cleaners of gritty or abrasive nature should never be used.

The acrylic ABS surface of this shower tray has good resistance properties to acids but should not come into contact with alkaline or organic solvents, such as caustic soda, dry cleaning agents and paint strippers.

Regularly clean the waste to ensure correct operation.

**GUARANTEE**

The guarantee does not cover:
- Wear and tear.
- Repair under this guarantee does not extend the original expiry date. The guarantee on any replacement parts or product ends.
- Products purchased ex-showroom display.

The guarantee applies solely to the original installation under normal use and to the original purchaser only. The product must be installed and maintained in accordance with the instructions given in this user guide. The product must be inspected and issues reported before installation.

To Contact Us: UK
- 0844 571 5000
- 01 531 9337
- Fax: 01 242 282595
- E-mail: CustomerServicesEire@mirashowers.com

What to do if something goes wrong
- If your product does not function correctly when you first use it, contact your installer to check that it is installed in accordance with the instructions in this manual.
- If this does not resolve the issue, contact us for help and advice.
- Helpdesk Service - Contact our Customer Services Team for product advice, to purchase spare parts or accessories, or to set up service visit. We will need you to have your model name or number and date of purchase.

Guarantee

Your product has the benefit of our manufacturer’s 10 year guarantee (5 years for any commercial installations) which starts from date of purchase. This guarantee only applies in the United Kingdom and Republic of Ireland. Note wastes, upstand kits and riser kits are guaranteed for 1 year only. To activate this guarantee, please return your completed registration card, visit our website or free phone 0800 0731248 within 30 days of purchase (UK only).

Within the guarantee period we will resolve defects in materials or workmanship by either repairing the product, providing new goods and parts to you in replacement or refunding (up to but not in excess of) the original purchase price, as we may choose. This guarantee is in addition to your statutory rights and is subject to the following conditions:

- The guarantee applies solely to the original installation under normal use and to the original purchaser only. The product must be installed and maintained in accordance with the instructions given in this user guide. The product must be inspected and issues reported before installation.
- Servicing must only be undertaken by us or our appointed representative. Note: If a service visit is required the product must be fully installed and connected to services.
- Repairs under this guarantee do not extend the original expiry date. The guarantee on any replacement parts or product ends at the original expiry date.
- For items or consumable items we reserve the right to supply replacement parts only.
- The guarantee does not cover:
  - Call out charges for damage or defects caused by incorrect installation, frost damage, mildew, limescale, corrosion, lack of maintenance, improper use, inappropriate cleaning (please refer to our Care and Maintenance Instructions) or where no fault has been found with the product.
  - Compensation for loss of use of the product or consequential loss of any kind.
  - Damage or defects caused if the product is repaired or modified by persons not authorised by us or our appointed representative.
  - Wear and tear.
  - Accidental or wilful damage.
  - Products purchased as showroom display.
  - Costs of removal of the product following installation and/or reinstalment of any replacement product (or part) including without limitation, fitting costs.

If you wish to install your shower tray using a riser conversion kit, please refer to the Installation and User Guide packed with the riser kit.
