Features

Benefits

Compression molded from Sterling's exclusive VIKRELL™ material

Color molded throughout to eliminate peeling and ugly-looking chips and cracks.

Durable swirl gloss finish

The unique lightly textured finish hides minor scratches and offers exceptional resistance to permanent damage.

Lightly pebbled bottom surface

Slip resistance enhances user safety and convenience.

Tongue-in-groove "snap together" installation

Easy installation eliminates need for bolts, nuts or wrenches.

Convenient shelving and towel bar

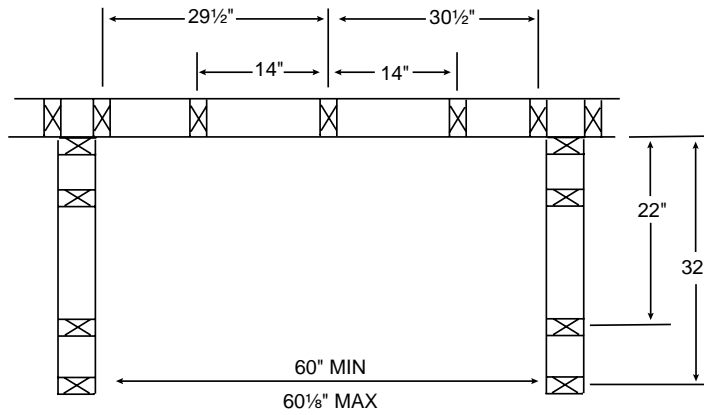

Two toiletry shelves and 18" towel bar in backwall with additional shelves in end walls for added convenience.

Limited warranty

10-year consumer/3-year commercial limited warranty to original purchaser/ user backed by Sterling's exclusive customer service.
