## Find Comfort in the Contemporary.

The restyled Bathcove bath/shower offers a contemporary design loaded with functionality. Straight, minimalist lines highlight the unit's look. Ample bathing space, a sloping backrest and a textured floor provide comfort, while an abundance of storage makes organizing all your essentials simple.

Available in White, Almond (Bone) and Biscuit, as well as Full Line and High Fashion colours, the Bathcove bath/shower features an easy-to-clean, high-gloss surface; that is chip and mar resistance.

Sharp, clean corners and a sloping back rest provide a comfortable fit and allow ample storage space for bathing essentials.
