

Rockford™  
Bath and Shower Unit

a place to  
wash away tension

Rugged, lightweight materials • Smooth, easy-to-clean finishes  
Simple, quick installation • Affordable • Outstanding service and support

## Revitalize with HYTEC

Contemporary design with straight, minimalist lines highlights the Rockford™ bath and shower unit from Hytec. But it's not only good looks—this unit includes numerous ergonomic benefits: a sloping backrest, textured floor, armrests in the bath and a footrest in the shower.

With a wide range of size options, the Rockford bath and shower unit allows plenty of room for showering and a generous depth for a relaxing bath.

A removable front access panel allows for quick, easy installation. Looking deeper, you'll find a durable one-piece acrylic sheet resulting in a bath and shower unit that resists marring, chipping, scratching, stains and mildew. Plus, it's easy to clean and will look great well down the road.

### HYTEC — a union of practicality and design

The HYTEC line is valued by contracting and plumbing professionals as well as remodelers for quality, design, function and service. Like every HYTEC product, the new Rockford bath and shower unit combines rugged materials and shimmering finishes. Choose from White or Biscuit colour options.

All **Rockford** models are available with the following enhanced bathing options:

**PE:** Enhanced whirlpool

**PEH:** Enhanced whirlpool with in-line heater

**PECE:** Enhanced whirlpool with chromatherapy

**PEHCE:** Enhanced whirlpool with in-line heater and chromatherapy

**BT:** BubbleAir™ system

**BTCE:** BubbleAir with chromatherapy
