A singular level of exceptional quality. It's the guiding principle that Kohler Co. has been founded upon. Because of this commitment, we are constantly making breakthroughs, from single sanitary products to overall kitchen and bathroom solutions. KOHLER continuously enriches its product line, integrating outstanding design, innovative technology and creative artistic inspiration.

KOHLER has long been one of the most recognized brands around the world. In 2016, Fortune Magazine named Kohler one of the "25 Most Important Private Companies," citing KOHLER's "highly influential" impact on kitchen and bath design. Kohler brings to Asia Pacific not only fashionable and artistic bath products, but also the experience of gracious living.

Luxury

KOHLER ultra high-end bathroom products are dedicated to creating an elegant and decadent enjoyment for five-star hotels and Class A office buildings.

■ Premium

KOHLER bath, the finishing touch for high-class hotels as well as the ideal choice for high-end apartments, letting you enjoy life all the time.

Basic

KOHLER offers a wide range of products and takes the lead in fashion trends. Anyone can find a simple but elegant lifestyle with Kohler.

Class Five + Flushing System

Experience the iconic Class Five flushing system, now further upgraded. Quiet and powerful, leaving no waste. Works well with all water pressure conditions.

UV Sanitization

The Stainless-steel wand is automatically sanitized with UV light every 24 hours. Effectively removing 99% bacteria and virus to ensure long-lasting hygiene.

Full Apron Skirted Design

Slender design, outlined graceful arc with simple lines. Back to wall design avoids dead corners, simplifying maintenance and cleaning.

Flexible Installation

Installation position is quite flexible and wire length can be up to 4m. (standard 1m)

Pneumatic Button

Smooth and comfortable hand feel

Water Filter

Recyclable filter can filter out impurities to prevent in-wall tank from clogging

Dacromet Finish

Dacromet finish on hardware provides better protection against rust and decay

Injection Molding

Injection Molding minimizes the tolerance down to within 0.1mm and effectively effectively increases durability and prevents cracking

Various Vibrant Finishes

A selection of PVD finishes can enhance a variety of bathroom décors

Multiple Size Options

Available in 88mm ultra thin model and 800mm ultra low model to better fit in different spaces

Inspired by carefully considered shower upgrades, the Modulo valve system is a platform that makes it simple to install a variety of valve configurations into a range of wall types and showering options, to give you the ultimate in personalized showering. Choose the valve that will create the showering experience you want — from a basic shower to a home spa experience. Combine it with a stylish trim option and then install it in an arrangement perfectly suited to your needs. By starting with the Modulo valve system, you open up a world of KOHLER showering possibilities.

Faucet Functions

Helping you work faster and easier in the kitchen, our faucets include innovative features. Choose the functions that complement how you prep, cook and clean in the kitchen.

The KOHLER® Advantage

Innovative designs and technologies - that's the KOHLER advantage. Magnetic docking, sprayfaces that withstand mineral buildup and effortless hose control provide functional versatility.

DockNetik_®

DockNetik is a magnetic docking system located within the spout that securely locks the pull-down sprayhead into place.

ProMotion®

ProMotion technology combines a braided hose with a swiveling ball joint that won't kink or tangle for effortless sprayhead control.

MasterClean_™

The MasterClean sprayface withstands mineral buildup and wipes clean with a wet cloth.

SwitchGrip_™

The sprayhead on the Graze® semiprofessional faucet rotates in 90-degree increments, which allows you to set the spray button exactly where you prefer it - to the left, right, front or back.

Sprays

Kohler offers one of the largest selections of faucet sprays, each designed with thoughtful technology to stay on task for years. Sprays help streamline kitchen tasks, quickly fill large pots with water, gently clean delicate fruits and sweep dirty dishes clean.

BerrySoft_®

Delicate fruits deserve a gentle touch. BerrySoft spray is light enough to gently rinse produce.

Sweep_®

Sweep your sink and dishes clean with Sweep spray's wide, powerful blade of water.

Boost

With the touch of a button, Boost technology will increase your faucet's water flow by 30 percent.

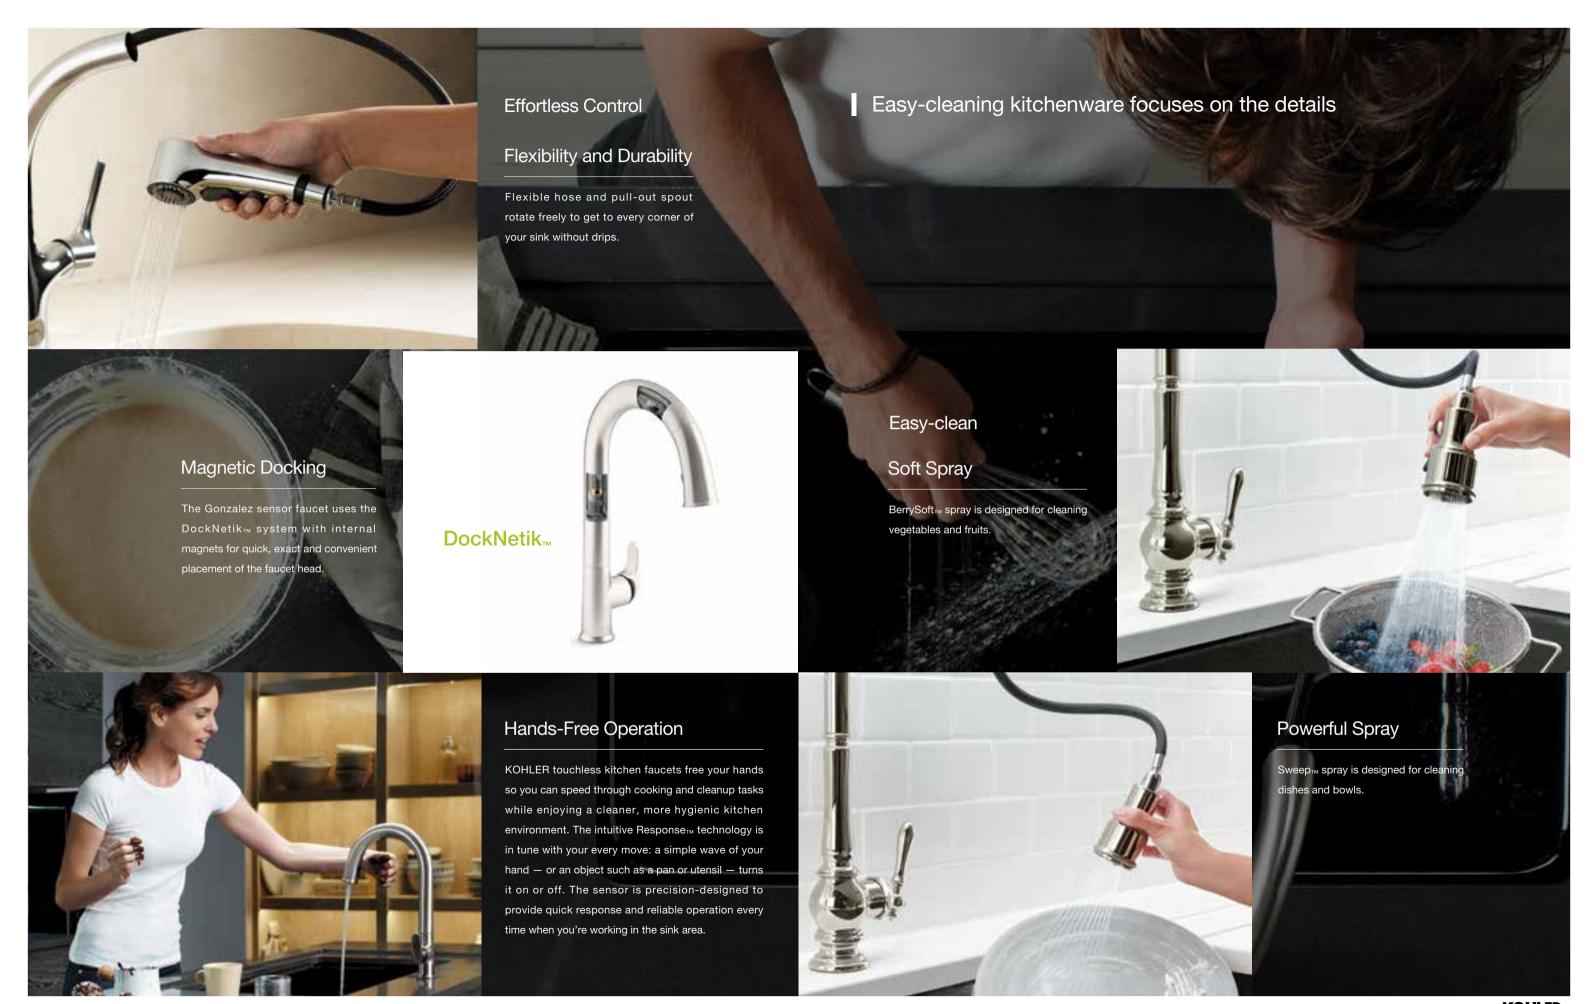

Ring

Great for everyday cleaning tasks, ring spray offers a precise and powerful flow of water.

Stream

This option provides a full, aerated stream of water that's great for quickly filling large pots.

KOHLER_® Enameled Cast Iron

Nothing else has the solid presence and makes such a strong statement in the kitchen like KOHLER enameled cast iron. The rich, colorful finish makes its own bold statement as it complements your countertops and cabinetry. No other material offers the character and craftsmanship of KOHLER enameled cast iron. Its rich finish and lasting presence Its rich finish and lasting presence will bring beauty and elegance to your kitchen for years to come.

STRENGTH

KOHLER enameled cast iron sinks withstand whatever your family dishes out, from heavy pots to searing skillets.

STYLE

Go bold with deep hues, be subtle with pale tones or choose a finish that adds dimensional character.

Made in Kohler, Wisconsin, our cast iron sinks embody over 145 years of KOHLER craftsmanship.

Stainless Steel

Stainless steel is eminently practical and extremely versatile. It's resistant to staining and easy to clean. Let your style shine with more than 120 stainless steel sink shapes, sizes and designs. It complements any kitchen and is a favorite of enthusiastic cooks and designers alike.

This classic, durable material lives up to its name. Hot pans won't hurt it and it's less less likely than harder materials to damage delicate dishware that may slip from your grip.

Stainless steel is rust- and stain-resistant and easy to clean; just give it a quick swipe with a sponge.

SOUND ABSORPTION

Every KOHLER® stainless steel kitchen sink features SilentShield® sound-absorption technology which significantly reduces noise from clanging dishes, running water and garbage disposals.

Our line of Preserve stainless steel sinks features a unique scratch-resistant coating that offers even more protection to keep your sink looking newer longer.

Neoroc_® Composite*

With a smooth matte finish that works beautifully with a variety of countertops, the rich, dimensional color of Neoroc adds warmth and style.

Neoroc composite sinks offer a warm matte finish designed to complement countertops with a solid color throughout.

ROCK-SOLID DISIGN:

Exceptionally durable, Neoroc absorbs the impact of falling cookware and is scratch-, stain- and chip-resistant. Hot pots and pans won't damage the surface. *KOHLER kitchen sinks are backed by a Lifetime Limited Warranty.
