	47	Almond
	7	Black Black™

Technical Information

All product dimensions are nominal.

Flush outlet technology: Waterless
Spud size: 2", Outlet, Rear

Notes

Install this product according to the installation guide.

CAUTION: Risk of property damage. When connecting waterless urinals to the building drain waste vent system, do not use copper pipe or copper tube connectors. The use of a copper connector will result in corrosion of the connector and potential building structure damage caused by leakage.

ADA compliant when installed to the specific requirements of these regulations.
