Convenience

Manual Bidet Seat

Leave it to KOHLER to provide innovation where you might least expect it. Our distinctive manual bidet seats offer unique features that enhance cleanliness, comfort and convenience with our unique soothing hygienic water cleansing system. It offers dual bidet spray that is self-cleaning, provides ease and comfort. Our exclusive Quiet-Close™ technology, offered manual bidet seats, provides a slow, quiet close for safety and hygiene, while Quick-Release™ functionality simplifies seat removal for easy cleanup. All KOHLER bidet seats are designed as remarkably artful complements to your bathroom decor, and many are harmoniously matched to popular KOHLER suites.

Suitable for the Whole Family
