

KOHLER®

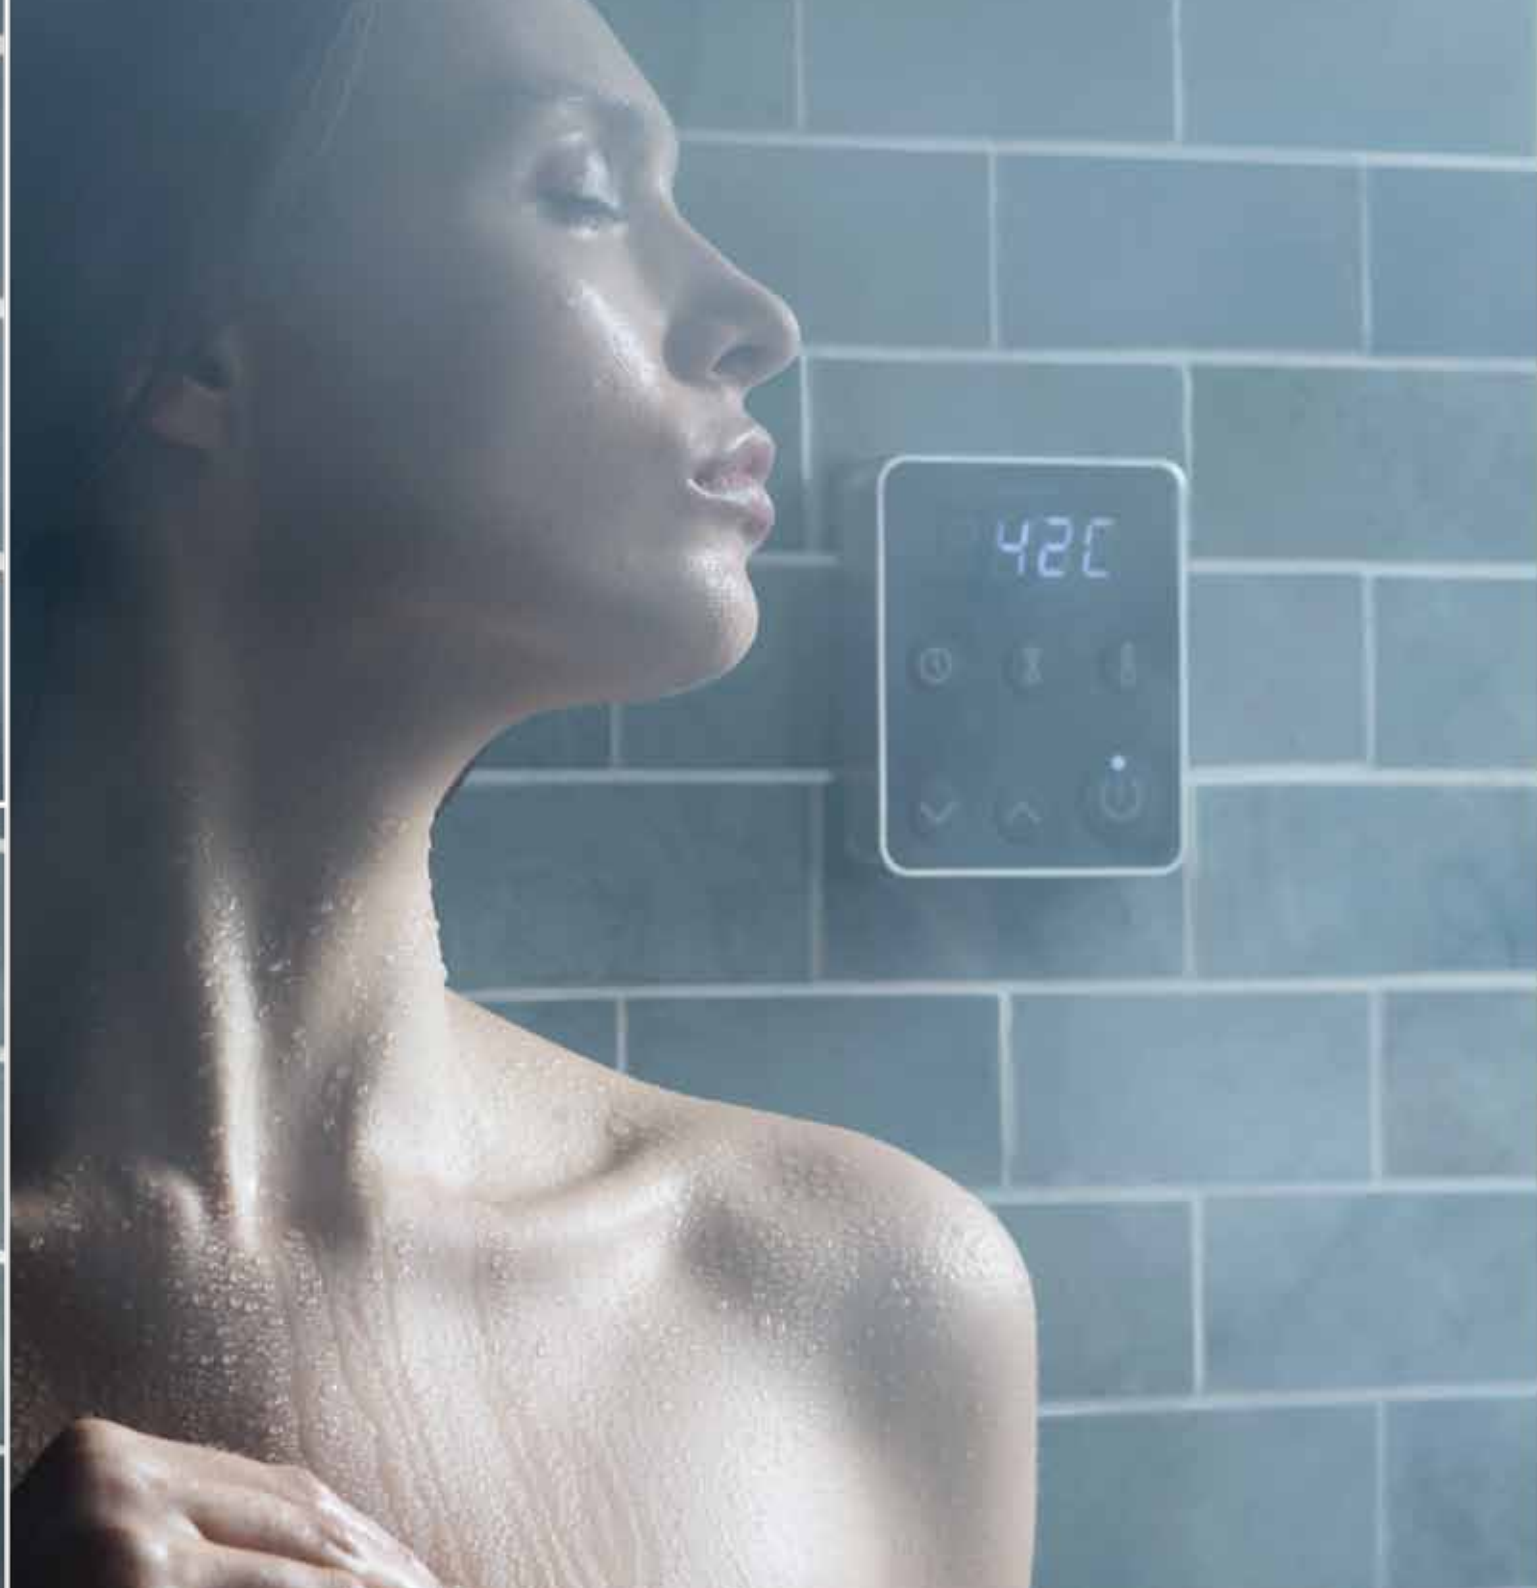

Steam™

RELAX. RENEW. RESTORE.

Escape to the soothing comfort of your private steam room, ready in just 60 seconds. KOHLER steam generator brings the purifying benefits of steam, such as respiratory relief and cleansing the body of toxins and impurities, and moisturizing your skin in your custom shower environment. Enjoy a professional steam sauna in your own home.

Fast Response™

Begin enjoying steam in as quick as 60 seconds with Fast Response, the world's fastest heating system.

Power Clean™

Using only water, traces of odor and limescale are completely removed from steam head outlet.

Automatic Control

Sensor control automatically provides an optimum temperature and moisture combination.

Aromatherapy

Select your favourite essential oil to complete your spa experience.

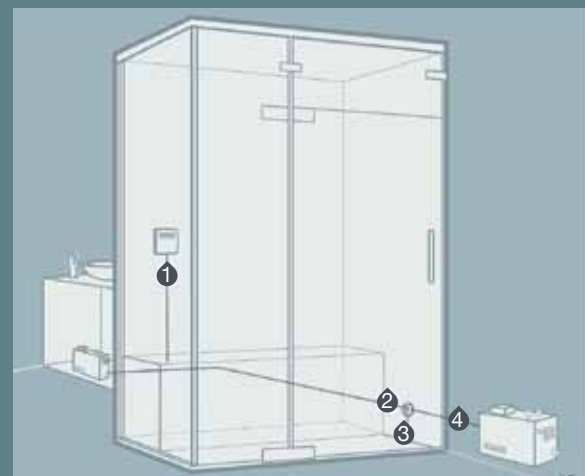

Compatibility

Compatible with a power supply of 220V 50/60HZ.
Available in customized options of 5/7/9/10KW to suit various steam room sizes.

INSTALLATION GUIDE

- ❶ The user interface must be installed inside the shower room and be at least 1500mm above the shower floor. It is not recommended to be installed vertically above the steam head.
- ❷ The steam pipe should not extend more than 7600mm between steam generator and steam head.
- ❸ The steam head is recommended to be installed at least 152mm above the shower floor, and it is not recommended to be installed on the same side as the attached shower seat.
- ❹ Leave at least 300mm room on each side of steam generator to allow for heat radiation.
