Instalación y Guía de Usuario / Manual de Instalação e do Utilizador / Installation & User Guide

ES Asegúrese de que la instalación corre a cargo de un instalador competente. Respete todas las normativas locales en cuanto a fontanería y construcción. Haga correr el agua abundantemente por la tuberías de suministro para eliminar cualquier desecho.

AVISO: Estos productos deben ser fijados a una pared. Aunque es posible fijarlos a cualquier superficie, se recomienda que se fijen a una superficie vertical de vigas u hormigón.

ADVERTENCIA: Estos productos no han sido diseñados para ser empleados como soporte. No monte estos productos en un sitio en el que puedan ser utilizados como soporte.

PT Certifique-se que o artigo é instalado por um técnico competente. Cumpra todos os códigos de canalização e construção locais.

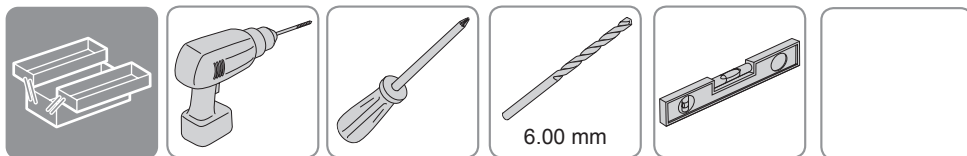

Nota! Estes produtos devem ser colocados e fixados a uma parede. Embora seja possível fixá-los em qualquer superfície, um produto fixado a uma estrutura de betão ou viga vertical produzirá os melhores resultados.

Atenção! Estes produtos não são concebidos ou destinados a serem utilizados como barra de apoio. Não instale estes produtos em locais onde poderão ser utilizados inadvertidamente como barra de apoio.

GB Make sure that the item is installed by a competent installer.
Observe all local plumbing and building codes.

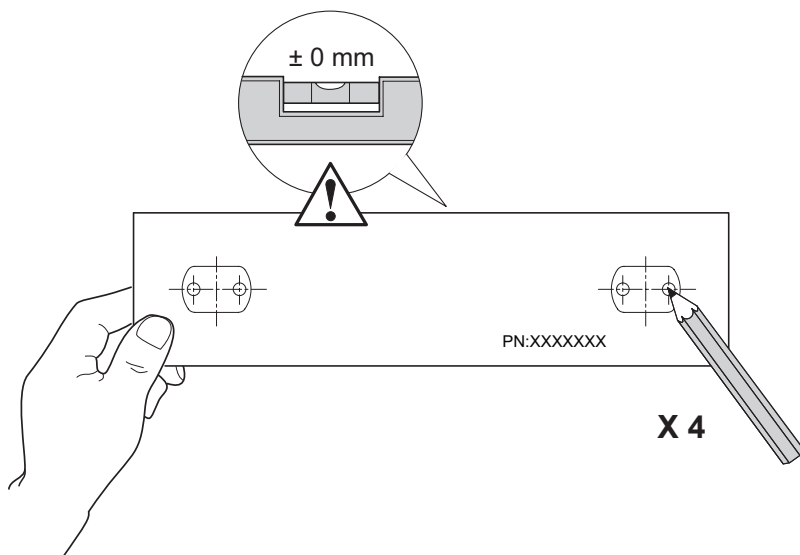

Note! These products should be located and mounted to a wall. Whilst it is possible to mount them to any surface, a stud or concrete mounted product will yield the best results.

Warning! These products are not designed or intended for use as a grab bar or support bar. Do not install any of these products in any area where they are likely to be used inadvertently as a grab bar or support bar.
