

Idol 1000 mm Vanity Tops

The super sleek urban appearance of the Idol range is enhanced by its luxurious high gloss black finish. The edges of the vanity tops blend effortlessly to form the basin, further enhancing the appeal of this premium range. Vanity Tops are available in a tactile matt solid surface finish or an opulent gloss gel coat finish, with the 1000mm Vanity Unit and tops available in both left and right handed versions whilst the 1300mm combination provides a double vanity solution for busy bathrooms. Backlit mirrors with clocks mean that the morning routine is kept on time and side columns are available for additional storage..

Synthetic Basins: Uniform surfaces and edges, which are not always achievable using ceramics are possible and the gel coat finish is warm to the touch.

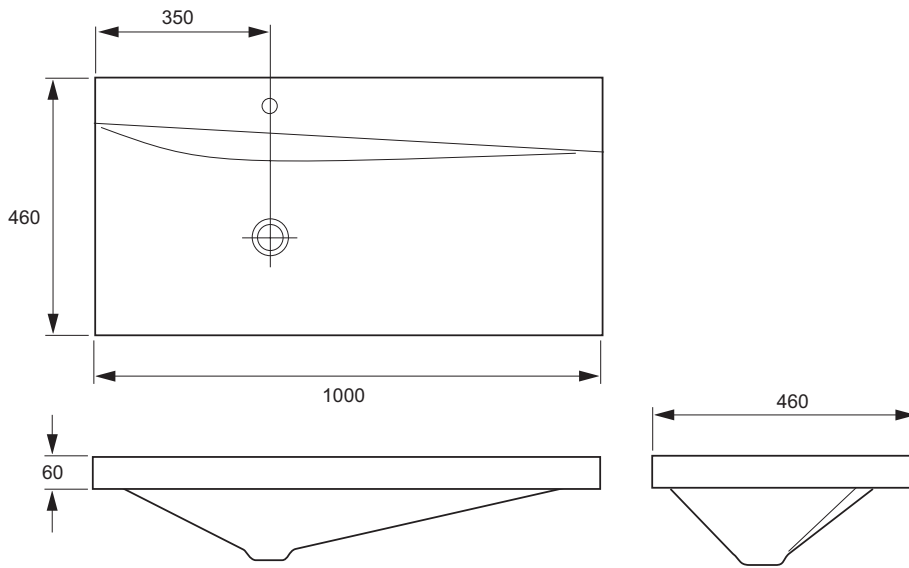

Due to the non porous structure a totally hygienic and water tight construction is provided. Any liquids or stains will remain on the surface and can be simply mopped up.

Although designed for bathroom applications, do not use water over 65°C. As well as being un-economical, this could also damage the surface finish of the product. Do not place hot items or appliances directly on top of a Gel Coat or Solid Surface Basin.

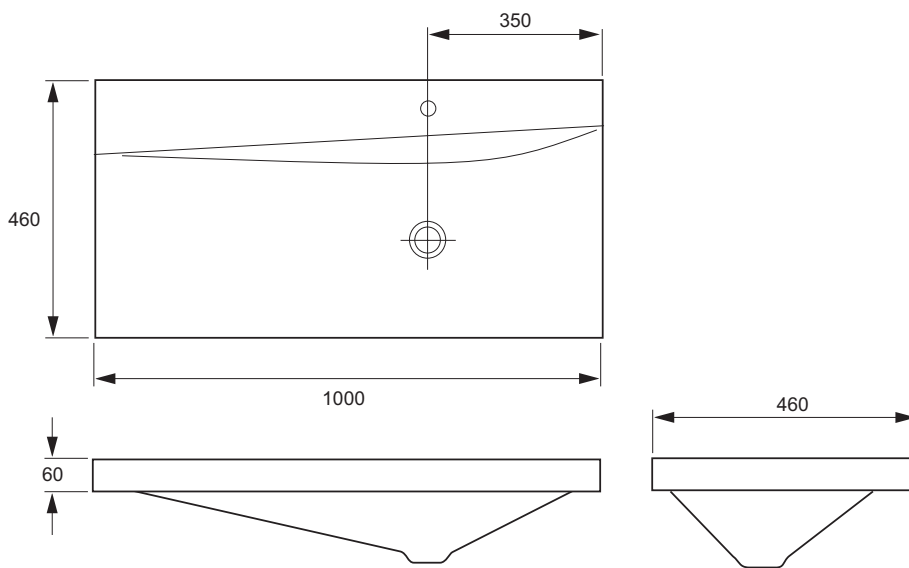

Never expose the product to acids, caustic soda, acetone, hair colouring dyes or bleach.
