

## Pop Laminar Mirror

The Pop furniture range is an ideal range for cloakroom, ensuite and small bathroom applications. Base units and mirrors are available in the latest timber and gloss lacquer finishes which are complemented by a choice of two Gel Coat Basins with their sharp lines. The Laminar basin is to be teamed with the Laminar Basin Valve & Spout to provide a striking water delivery solution, whilst a single tap hole version exists for more conventional brassware.

- Designed to work with the Laminar Basin for a seamless look
- Neutral finish to complement all base unit finishes
- Optional Halogen Light available
- Plain Edge to mirror glass, edge worked for safety

**Furniture Care:** Although designed for bathroom use, as with all products, this cabinet will deteriorate if subjected to excessive water spillage or condensation. It is highly recommended that the bathroom is well ventilated using a suitable extractor fan. Any water spills must be mopped dry after use. Cleaning materials containing abrasives and strong acids should not be used.

All measurements shown are in millimetres.  
Sizes are approximate.
