

## Features

- Frameless, 1/4" (6mm) thick Clear tempered glass.
- Includes a 36" (914 mm) wide glass return panel to create a corner enclosure.

## Technology

- Magnetic seal keeps door firmly closed, providing excellent water containment.
- Knob handle keeps the design line simple and unobstructed.
- Low threshold (1-3/4-inch) for easy entry and exit.
- Adjustable ball catch for reliable operation.
- CleanCoat® nanotechnology provides a smooth, nonstick surface to help prevent buildup of water stains, bacteria and mildew on your glass, to make it easy to clean and keep it looking like new.
- Door swings outward and can be installed to open right or left, depending on your preference.
- Pre-assembled frame and out-of-plumb adjustability for simple installation with no cutting.
- 1" (25.4 mm) width adjustability on each wall jamb, offering 2" (51 mm) total adjustability.

## Installation

- Not for use in hospitality.
- For residential use only.

## Recommended Products/Accessories

K-23723 Faucet cleaner
