

Features

- Designed with an 18" apron.
- Modular design allows for easy installation during any phase of construction.
- High-gloss finish provides a smooth, shiny surface that is easy to clean.
- Geometric backwall design adds visual interest while easy to clean (walls are required to complete the installation)
- Rounded interior space provides more room for the bather.
- Abundant, recessed storage reduces the visual clutter (walls are required to complete the installation)
- "Snap" together installation. An audible click lets you know when the walls are properly installed.

Material

- Made from solid Vikrell® material for strength, durability, and lasting beauty.

Installation

- Caulk-free installation.

Recommended Products/Accessories

- K-23726 Drain treatment
- K-23733 Vikrell® cleaner
