Molded-in structural ribs

Tongue-in-groove "snap together" design allows caulkless installation

Wainscot ledge rises a full 3" above tub ledge

Limited warranty

Benefits

Fully complies with handicap standard ICC/ANSI A117.1

Seamless appearance. Tub deck and molded-in shelf offers generous storage. Updated classic look.

Color molded throughout to eliminate peeling, chipping, and surface cracking for years of trouble free service.

Component moves around corners and through doorways with ease.

Eliminates tub bottom flexing during use.

Installs direct to stud walls without the need for bolts, nuts, adhesive, or caulk.

Extra protection against water damage. Perfect for installation of bath only.

10-year consumer/3-year commercial limited warranty to original purchaser.

All products displaying this symbol and stating "ADA compliant" meet ADA requirements as stated in the Americans with Disabilities Act. All bathtubs will comply with ADA when installed per the requirements of the Accessibility Guidelines, Section 4.20 Bathtubs, of the Act.
