

CARE & CLEANING

TOILETS OR LAVATORIES MADE OF VITREOUS CHINA

Lavatories and toilets by Sterling combine outstanding performance, functional design and distinctive visual appeal. STERLING® vitreous china is scratch- and abrasive-resistant with a surface that won't stain or fade.

- Rinse thoroughly and use a soft cloth to wipe the product dry after each use.
- Soft abrasive cleaners may be used when necessary to clean vitreous china products. Strong abrasive cleaners will scratch and dull the surface.
- Use toilet bowl cleaners on the inside of the bowl only.
- Do not use in-tank cleaners as they can damage the flush valve or other working parts.
- Wipe any splashes of cleaner solutions from plastic or plated surfaces immediately.

RECOMMENDED PRODUCTS:

- Scrub Free Disinfectant Bathroom Cleaner
- Lysol Basin Tub & Tile Cleaner
- Comet Liquid Bathroom Cleaner
- Scrubbing Bubbles Bathroom Cleaner
- Soft Scrub Multi-Purpose
- Fantastik All Purpose
- Spic and Span Liquid
- Clorox Clean-Up
- Bar Keepers Friend
- Bon Ami

CARE TIP:

Over time, hard water deposits may clog toilet rim holes and trapways. To clean, purchase a commercial cleaner that's recommended for the removal of hard-water deposits. Follow all instructions on the package.
