

# KOHLER® 7500 SERIES EFI™

24–27 HP Engines

**KOHLER®**  
IN POWER. SINCE 1920.

# WHY EFI?

It makes your life easier. Much easier.

You want a riding mower. But not just any mower. The best. Well, everybody knows the best mowers are powered by the best engines. So let's talk about the fuel-injected 7500 Series™ EFI engine from Kohler. With this powerhouse, it's all about easy starting, reliability—and fewer trips to the gas station, so you can have more time to relax.

## SIMPLE, EASY STARTS

- With KOHLER® EFI (electronic fuel injection) technology—it starts like your car, just turn the key and go
- Built to start the first time, designed for easy spring starts
- Worry-free—engine adjusts to gas with ethanol up to E10
- No trips to the service center for costly carburetor repairs

## MORE POWER, LESS FUEL

- Available with up to 27 hp—the most powerful KOHLER consumer engine
- Up to 12.5% fuel savings\*—less time refueling, more time relaxing
- Consistent-Cut™ power—keeps you cutting in tall, wet grass

## BUILT TO LAST

- Designed from the rugged, commercial KOHLER Command PRO® EFI engine
- Engineered and assembled in the U.S.A.
- 3-year, unlimited-hour limited consumer warranty
- With PRO air filter option: 1-year, unlimited-hour limited commercial warranty

\*Kohler 2017 EKT750 vs. Kohler 2017 KT745 under comparable loads and duty cycles. Fuel savings may be more or less depending on in-use operating conditions.

For more information, contact your KOHLER source of supply. Or call toll-free in the U.S. and Canada 800-544-2444.
