

A male technician wearing safety glasses and blue gloves is working on a Kohler engine. The engine is mounted on a red base and has various components like a black air filter, a yellow oil filter, and a black alternator. The technician is wearing a dark blue shirt with a name tag that says "Tom" and a logo that says "TOOL".

KOHLER®

**REPOWERING
REFERENCE GUIDE**

KOHLER® Engines

GET THE ENGINES DESIGNED FOR COMMERCIAL EQUIPMENT REPOWERS

Know what you get when you repower with KOHLER.® The durability and muscle of a high-productivity KOHLER engine. A full line of engine options for all the equipment you use. Easy upgrades, with drop-in specs that make repowering simple. And a network of distributors committed to providing you with the support you need.

KOHLER engines have worked sunup to sundown for almost 100 years. You can count on us for high-quality engines that get the job done.

KOHLER Command PRO EFI 824 cc
