## **Sunbelt Rentals Entrusts KOHLER Engines to Deliver for Customers Nationwide**

*Leading Rental Company Invests in KOHLER-powered Equipment at The Rental Show*

**KOHLER, Wis. – May 24, 2017** – Sunbelt Rentals, one of the largest equipment rental companies in North America with a branch network of more than 600 locations, recently invested in nearly 700 pieces of equipment powered by KOHLER Engines. Sunbelt connected with Kohler at *The Rental Show* and took advantage of exclusive show discounts designed to encourage attendees to save on new KOHLER-powered equipment. Hosted by the American Rental Association (ARA), *The Rental Show* is the largest equipment rental convention and trade show in the world. The event features seminars, networking opportunities, and equipment displays for rental industry professionals working within the construction, industrial, general tool and special event categories.

*Sunbelt Rentals recently purchased a wide variety of equipment powered by KOHLER Engines, including the company's Tier 4 Final diesel models. The KDI1903TCR is pictured above.*

“Sunbelt Rentals has a diversified fleet that utilizes KOHLER Engines. Kohler provides quality engines with the flexibility Sunbelt Rentals requires in both service and support allowing us to keep our equipment up and running for our customers. With the introduction of Tier 4 Final engines, increasing engine support is critical to the responsive service we provide to our customers,” said Brad Coverdale, Director Fleet Sourcing & Support for Sunbelt Rentals. “Investing in KOHLER Engines at The Rental Show was a no-brainer, and we look forward to rolling out these newest additions to our industry-leading fleet.”

Sunbelt Rentals purchased a wide variety of KOHLER-powered equipment from nearly a dozen of the most respected brands in the rental industry. The new Sunbelt Rentals equipment features numerous KOHLER engine models – from single-cylinder and twin-cylinder gasoline engines to the company’s Tier 4 Final diesel engine models.
