# GET RELIABLE POWER
## for Your Nursing Home or Assisted-Living Facility

When you're caring for others in a hurricane zone, you need reliable backup power that can stand up to any weather. KOHLER® has you covered. For more than 50 years, Kohler has been trusted by nursing homes and assisted-living facilities around the world. We're the first generator manufacture to offer factory-direct hurricane-rated enclosures, and we can help satisfy strict Florida building code rules.

## WHY KOHLER®?

### TESTED AND APPROVED

We meet the highest power systems requirements, including:

• UL    • EPA    • NFPA    • Wind Load    • Missile Impact

### SINGLE-SOURCE WARRANTY

The entire power system is covered by Kohler.

### SERVICE AND SUPPORT

We have a full network of distributors throughout the United States to meet your power needs.

We offer temporary power solutions (mobile generators) as a transition to permanent backup power.
