Bathroom Faucet Collection

THE BOLD LOOK
OF **KOHLER**®

Quick installation

Simply slide the fixing nut into position and turn

Versatile modern design

Unique shape complements a variety of decors

Outstanding water savings

Cartridge and aerator limit water flow to 1.2 gallons per minute

Simple control

Single handle provides intuitive, easy operation

Easy-to-change aerator

Threaded aerator can be changed with a coin

Complete design

Bathroom sink faucets and bath spouts pair nicely with Pitch® bath or shower trim, letting you create a cohesive look

Lasting Finish

Resists corrosion & wear

Water Conservation

Save water without sacrificing performance

The Hint™ faucet collection pairs well
with Pitch shower trim.
Pitch Rite-Temp® pressure-balancing valve trim
K-TS74042-4-CP
Awaken® B110 multifunction showerhead
K-72425-CP

Hint™ Bathroom Faucet Collection

Style Freely

Add versatility to your bathroom. Minimal in its design, the Hint bathroom faucet collection works well in a traditional or highly modern environment. Coordinate with Pitch® bath and shower trim, and create a space that will look beautiful for years to come.
