THE BOLD LOOK  
OF **KOHLER**.

# Take Comfort. Take Control.

Numi®, Kohler's most advanced toilet, just got an upgrade. From its personalized settings and precision controls to its exceptional water efficiency and ability to pair with devices enabled with Bluetooth® wireless technology, the Numi toilet marks a new standard of excellence in the bathroom.

## Enhanced Features

### Music Capabilities

Play your favorite music, FM radio stations, podcasts and more. Simply stream wirelessly with any device enabled with Bluetooth technology, store MP3 files to the SD card or plug in your device using an auxiliary cable

### Ambient Lighting

Seven new colors with three programming options illuminate your space

### Emergency Flush

Battery back-up ensures extra flushes during a power outage

### Power-Save Mode

Monitors usage and adjusts heated seat settings accordingly to save energy

### Personalized Settings

Control and set heated seat, foot warmer, bidet and other user preferences for up to six users

### Toilet with Integrated Bidet

Self-cleaning wand, precision air dryer and deodorizing filter all in one seat

### Flushing System

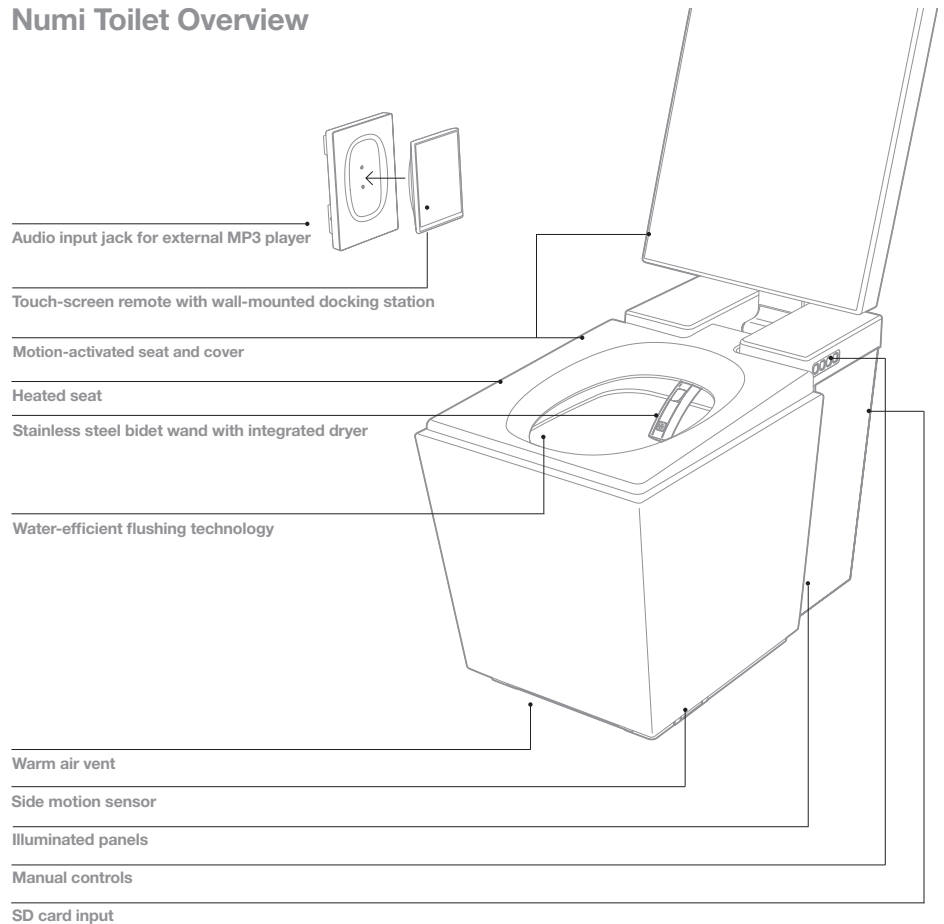

Designed specifically for Numi, delivers unprecedented water savings at 0.6 gpf/1.28 gpf

### Intuitive Touch-Screen Remote

Control personal settings; store and charge remote on magnetic docking station

## Numi Toilet Overview

SKU	Description	Rough-In	Toilet Seat	Bowl Shape	Bowl Height	Water Usage
K-3901	One-piece dual-flush toilet with premium touch-screen remote control (K-7240-0)	12"	Heated seat included	Elongated	Comfort Height	0.6/1.28 gpf

WaterSense®-labeled toilets use at least 20% less water than standard 1.6-gallon toilets while still meeting strict flushing performance guidelines.
