PureWash® E930 Elongated Bidet Toilet Seat

Discover the sleek design and refreshing clean of a KOHLER® bidet toilet seat.

THE BOLD LOOK
OF **KOHLER**®

PureWash® E930 Elongated Bidet Toilet Seat

The PureWash E930 bidet toilet seat is Kohler's slimmest bidet seat design yet, bringing you the freshness of personal cleansing in a low-profile seat that measures only 3½" (90 mm) tall. With a full complement of features, including pre-use bowl mist for more effective rinsing while flushing, automatic deodorizer, and nightlight, nothing else compares. The PureWash E930 seat fits most KOHLER® elongated toilets, including hidden-cord models.

Sleek Design

PureWash is Kohler's slimmest bidet seat design, featuring a clean, uncluttered look.

Convenience

The intuitive handheld remote control offers programmable presets for two users. The KOHLER Konnect® app offers advanced personalization and can be paired with Amazon Alexa or Google Home for voice control.

Clean

The stainless steel wand, which is automatically cleaned with UV light every 24 hours, delivers a hygienic and refreshing experience. Adjustable spray, water pressure, and temperature will transform your daily routine.

Comfort

Featuring motion-activated opening and closing of the lid, the PureWash E930 offers the luxurious comfort of a heated seat and a warm-air dryer.
