Reckon®

¾ HP & 1 HP Garbage Disposals

Kohler provides a full solution for the kitchen with the introduction of garbage disposals

THE BOLD LOOK OF KOHLER®

Reckon® Garbage Disposals

KOHLER® Reckon garbage disposals deliver powerful performance, available in ¾ and 1 hp models. Both models come with a heavy-duty induction motor and space-saving design, making the garbage disposal easy-to-use, durable, and reliable.

This product is designed, engineered, and manufactured in the U.S.A. with premium materials and quality craftsmanship. Expect durability and performance from the induction motor which grinds food waste without jamming. Sound-dampening technology and the removable baffle allow the disposal to operate quietly.

K-29361-CHR

¾ hp model features & benefits

- ¾ horsepower heavy-duty induction motor provides powerful performance
- Single-stage 26 oz chamber with stainless steel grind components
- Compact design saves valuable cabinet space
- Five-Year Limited Warranty

K-29358-CHR

1 hp model features & benefits

- 1 horsepower heavy-duty induction motor provides powerful performance
- Two-stage stainless steel 34.6 oz grind chamber shreds scraps into smaller pieces, minimizing build-up in your plumbing
- Auto-reverse feature helps prevent jams and allows grind elements to wear evenly, extending garbage disposal life
- Eight-Year Limited Warranty

Both models feature:

- Polished stainless steel flange and stopper for reliability and durability
- Two stainless steel 360° swiveling lugs provide increased grind quality for a variety of food waste, including soft foods, peels, cereals, fruit skins and rinds, seeds, nuts, and cooked meats
- Removable sound-reducing sink baffle helps dampen motor sound
- Signature Kohler shell designs on both models makes this the perfect addition to round out your Kohler kitchen installation
