

Veil Wall-Hung Toilet
K-6303-0

Veil™ Wall-Hung Toilet

Featuring Dual-Flush Actuator and Concealed Tank

THE BOLD LOOK
OF **KOHLER**®

Modern Space-Saver

With its concealed tank, minimal footprint and installation flexibility, Veil saves up to 12 inches of precious bathroom space over our longest floor-mount models.

Clean. By Design.

The mounting hardware is completely concealed – which gives Veil a sleek, seamless look that is incredibly easy to clean. And the wall-hung bowl makes it simple to clean underneath the toilet.

Color & Finish Choices

The Veil toilet and flush actuator are available in five beautiful KOHLER® colors: White, Dune, Biscuit, Almond, and Black Black™. The flush actuator is also available in six rich finishes: Polished Chrome, Brushed Chrome, Vibrant® Polished Nickel, Vibrant Brushed Nickel, Vibrant Brushed Bronze and Oil-Rubbed Bronze.

Custom Height

The durable steel frame carrier is installed behind the wall and provides unparalleled installation flexibility – allowing the bowl to be set anywhere from 15¾ inches to 28½ inches from the floor.

Powerful Choice

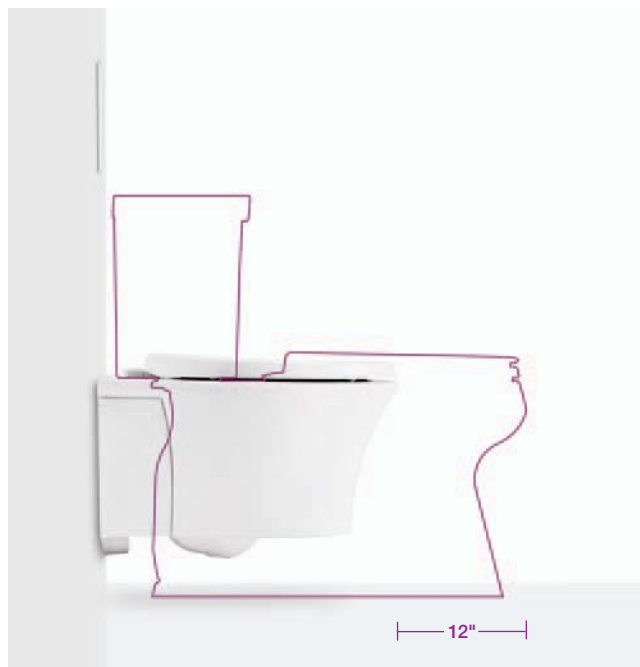

The dual-flush actuator lets you choose between a 0.8-gallon flush for light waste and a 1.6-gallon flush for bulk waste – saving water without sacrificing performance.

Complete Solution

Veil is an all-in-one solution with wall-hung bowl, in-wall carrier, seat and flush actuator – all backed by Kohler.

Easy Maintenance

The flush actuator can be removed for easy access to the inner tank components.

Space savings versus our longest floor-mounted toilet models.

Veil wall-hung toilet with Grip-Tight Reveal™ Q3 seat

Veil wall-hung toilet with C³-201 bidet seat

SKU	Description	Components	Water Usage	Bowl Shape	Bowl Height
